War is fun!

Thieves become Patriots
Midst other miracles
made over. Truly!

Not so much if you’re
Jew, Spick, or
Queer.

But the patch you wear
can be made becoming!

Oh I
forgot, so homey-
old-fashioned in a time

of implanted chips.
And Auschwitz Express
needn’t run. We’ll deathray

you having a nice tea!
Maybe with honey,
Honey.
